TRAINING (PRE - RECORDED VIDEOS)

For seeking supplementary learning support across a range of capacity-building and skill development initiatives—including software training programs in Python, R, Excel, Machine Learning, IFRS, VBA, Data Science, and SQL— The Institute of Actuaries of India (IAI) offers access to a curated selection of recorded training sessions. These video resources are available for subscription and serve as a valuable aid to reinforce and enhance understanding in the respective subject areas.

Table of Important Training Programs:

| Subject | No. of Sessions | Total Hours | Fees (₹) | Faculty |
|------------------------------|-----------------|-------------|---|--|
